

# PIPE WRANGLER DRILL PIPE TONG

**DPT - 80 ... Small Package, Big Kick!**

The Frank's International Pipe Wrangler is a drill pipe tong which can make-up and break-out drill pipe and drill collars on the rig floor.

## Tong Features

- designed with smaller footprint than the DPT100
- Automatically adjusts for different size drill pipe, drill collars and subs.
- Can be hung in the derrick or mounted on track systems.
- Can be controlled from a remote area (optional).

## Benefits

- fits on drilling rigs with limited floor space.
- Creates a safer work environment by eliminating manual equipment.
- Less personnel required on the rig floor while tripping pipe.
- Faster trip times provide savings in rig costs.
